## Weekly Report: 30/05 – 05/06

### 1st Day – Wednesday, 30/05:

Departure from OPorto to Bologna at 18h50 (Hour in Portugal). We were in Bologna, more and less, at 22h30 (Hour in Italy). Then we went to our apartment in Rimini.

## 2nd Day – Thursday, 31/05:

In the second day we went to Sistema Turismos office for a simple presentation about the city and our tutours. In the office they gave us informations and maps so we could organize ourselves.

### **3rd Day – Friday, 01/06:**

In Friday I went to my host company – Best Western Hotel Nettunia, Rimini – for my presentation and to know my timetable.

### **4th Day – Saturday, 02/06:**

I started my trainee in Saturday from 2 p.m. until 7 p.m.

In this day it was possible for me to “meet” the entire hotel with a special card to open the doors and have access to everything, and of course I was in the reception getting used to the program and with my colleagues.

### 5th Day – Sunday, 03/06:

In the morning I was at home and at the end of lunch I went to the beach. I stayed very surprised because in Rimini we have to pay to go to the beach, because we are almost forced to use a sunbathing chair, so, I've had paid 4€.

At the end of the day I received a message from Viky from Sistema Turismo, warning me that I was going to change my host company. And we were all dining at the reataurant to say goodbye to our Teacher Fernando Rei.

### **6th Day – Monday, 04/06:**

9h15 a.m from Monday and I was at the bus stop number 29 waiting Viky to get another presentation and to know where I would be training. Mrs Nicoleta from EuroHotel was very friendly explaining everything and she told me that I would start only in the next day.

### **7th Day – Tuesday, 05/06:**

I've had to be in the hotel by 8h20 a.m to finally start working. I arrived at the hotel around 7:40 a.m. and I left at 1h30 p.m.

In my first day I received the guests and I organized all the keys from the rooms. Obviously, I tried really hard to understand the Italian Guests perhaps it was impossible, so Mrs. Garzia, that was with me in the reception, was always translating for English.
