

## **Weekly Report**

**School:** Secondary School, Vila Verde

Technical Professional Course in Tourism

**Student:** Tânia Daniela Vieira Vilas Boas

**School year** 2017/2018

**Company:** Sistema Turismo

**Period of execution:** 30/05/2018 to 30/06/2018

It has been a big adventure here in Italy, different language, different people, different places, different food and habits, and so many wonders to live and feel. I think I'm finally well adapted.

### **Sixteenth day 14/06**

Today I began my work at the office at 9 a.m. and I started to translate the internship protocol.

### **Seventeenth day 15/06**

I began my work at the office at nine o'clock and I continued to translate the same some document.

### **Eighteenth day 16/06**

I stayed at home (apartment) and rested there all day, I was feeling tired, so I started writing some notes, listening to music, and surfing the web.

### **Nineteenth day 17/06**

In the morning we went to the swimming-pool. We had lunch, and at the afternoon we walked along the marina, near the sea and ate ice cream.

### **Twentieth day 18/06**

I began my work at the office at 9 a.m. and I continued to translate the same document.

Then I filled a document, and answered some questions about the internship, activities and accommodation.

### **Twenty-second day 19/06**

I began my work at the office at nine o'clock and I continued to translate the same document. Then I continued to answer some questions about the internship, activities and accommodation.
